If an offer of admission is made, an official transcript/mark sheet from the last high school/secondary school attended showing all years of the student's grades and proof of completion of the high school/secondary school or equivalent program should be received prior to Aug. 1 for fall enrollment. The office of admission must receive all official transcripts prior to the first day of class.

SUPPLEMENTARY MATERIALS

All applicants may submit supplementary materials to enhance their admission files. Any applicant whose high school or secondary school grade-point average is below 3.0 on a 4.0 scale or who did not score at least 1100 on the SAT (math and reading only) or at least 21 on the ACT is strongly encouraged to submit supplementary materials. These materials may include one or all of the following:

- o Statement of purpose
- o Recommendations
- o Portfolio, audition, riding or writing submission
- o Personal or telephone interview
- o Résumé or list of achievements and awards

Once all application materials are received, the Admission Review Committee considers your qualifications and renders an admission decision. You will be notified immediately.

All admitted students are automatically considered for institutional scholarships. Funds are limited and are awarded to the earliest qualifiers based on materials submitted for review. All students are encouraged to submit résumés and/or portfolios as supplementary materials to enhance their applications for admission and for scholarship consideration.

If you are applying for U.S. federal or state financial aid, you should complete the Free Application for Federal Student Aid, or FAFSA, online at fafsa.ed.gov. Be sure to include SCAD as one of your school choices. The SCAD school code is 015022. All required admission materials and financial aid information should be submitted at least 60 days prior to the start of your intended term of entry.

Application materials cannot be returned.
